

ANTURAZ USER ACCEPTANCE TEST		
Phase	Vendor	March 21, 2020
Sub-phase	Create Store	
Coverage	Create > Advertise Store	Iteration 1 of 3
Next	Store Dashboard	

ISSUE SUMMARY	TODO	ETA	DONE
1. Skip "Confirmation" dialogue box after clicking "Create Shop" button and proceed directly to "Pubish Store" not vendor log-in page.			
2. All mobile no. fields "PH -9NN NNN NNNN" – with validation as whole no and correct sequence			
3. All landline no. fields "Area Code -8-NNN NNNN" – with validation as whole no and correct sequence			
4. All province field with dropdown list and auto-type search			
5. All categories field with dropdown list and auto-type search			
6. Bank name with dropdown list and auto-type search			
7. "Online Payment" as default payment option "Bank Deposit" as secondary			
8. "DTI/SEC Registration Number" instead of "DTI/SEC Registration Details" a. Field is duplicate of "Account Number" for bank details – please check			
9. "Store Details" should be a summary of Store Name, Store Owner, Categories, Market Area, Email Address and all other details in the "Business Info" and are editable while in the "Store Details" view.			
10. Allow "Back" when navigating between "Basic Information" –"Store Details" – "Avail Premium Account".			
11. Skip "Proceed to the next step?" pop-up dialogue box – unnecessary.			

CLARIFICATION/RECOMMENDATION	COMMENT
1. Does the system create a unique address for each store and their sub-page features?
